

# Intel® AI Global Impact Festival 2025

Are you a student innovator interested in applying AI to make an impact?

Enter the AI Changemakers competition as part of Intel® AI Global Impact Festival 2025 for the opportunity to be a Global Winner and win prizes!

## Who?

Students (individual or in a team of up to 3) in two age categories:

- 13–17 years
- 18 years and above

## How to Enter?

### Complete the submission entry form with:

- Project title (max 10 words)
- Description of the project (max 150 words)
- A 2-minute video of the project (max 60 MB in size) in either mp4, wmv, flv, or avi format. Subtitles should be added if the video is not in English. AI-generated Voiceover is not allowed. There may be a penalty for videos longer than 2 minutes.
- A portion of the video needs to feature the project team speaking directly to the camera.
- Submissions must come from an active student (or team of up to 3 students) in a K-12 or higher education/vocational institution.
- It is suggested to use your voice in the video and use English subtitles where required. AI-generated Voiceover is not allowed.
- Complete, sign and upload consent forms.

## What?
